AGM GENERAL BUSINESS

Merge with the Tarwin Valley Landcare Group to form a new Tarwin Valley
Landcare Group.

Under the auspices of the South Gippsland Landcare Network, Tarwin Valley
Landcare Group will close. The members will then join the Nerrena Landcare group.

The South Gippsland Landcare network will allocate the area that used to be the
Tarwin Valley Landcare group area to Nerrena. After Tarwin Valley Landcare group

has closed the Nerrena Landcare group will take the name of Tarwin Valley
Landcare group. The name change will make the group more relevant to outside

bodies especially where funding is concerned and considering that all our
properties do drain into the Tarwin River sooner or later.

We do need to acknowledge the histories of Nerrena, Jindanook and Stony Creek
Landcare groups and the work that they have done.

Moved by Veronica Greaves, seconded by Kate Walsh to accept the members from
Tarwin Valley Landcare group and to change the name of the Nerrena Landcare
group to Tarwin Valley Landcare group as soon as possible. Carried unanimously
by those present and all but one of the proxy votes.

Fees – were set at \$30.00 per property moved Kate Walsh seconded Eric Miles carried unanimously.

Fees can be paid to Nerrena Landcare Group BSB 633108 1095 65267

The South Gippsland Landcare Network will accept credit card and Paypal payments from members who wish to pay online. These payments will be forwarded to the group concerned. Use the link under 'membership portal' tab on our website.
